SHARED RESPONSIBILITY

Is an initiative to show the
environmental impact that the illicit
crops, the drug-trafficking and the
consumption have in
Colombia. This program was
launched by the Vice Presidency of
the Republic of Colombia in 2007.

SERGIO ANDRES LLANO

Bs in Biology, Universidad de los
Andes, Bogotá; MSC. in Global
Biodiversity Monitoring and
Conservation, University of Hull,
Kingston upon Hull, UK. Currently
